# AHP appreciate and Progress

**Thursday 10th October 2024**

Every day, Lothian AHPs work hard and go the extra mile. The aim of this day is to pause, reflect on our success and think about the future.

**We need your help to make it a success by sending us your digital posters!**

It could be something that you've already done, or something that is still underway, for example:

- quality improvement projects
- awards and research
- digital improvements
